Message from the Master

FROM THE EAST

This being my first article in the Trestleboard as Master, I would like to again thank the members of our Lodge for having the confidence in me to elect me Master for 2006. Congratulations to our entire 2006 Officer group. Our lodge will be in good hands for years to come.

Our 98th Installation of Officers was a great success. My sincere thanks to the Installing Officer team, Susan Stone and Kim Norton for serving as Food coordinators, Jean Pennington for her beautiful floral work, the members of Analia Chapter #112 OES, Bethel #5 JDI and the Alderwood Assembly #55 Rainbow Girls. The Installation could not have been a success without all your support and hard work, thank you from my family and me.

Among many friends, family and visitors in attendance, the MW Grand Masters of F. & A.M. of California and Washington joined us for the evening. This was quite special to me since I realize how busy these MW Brothers are.

FROM THE PAST

Greetings from the past!!

The Worshipful master and our incredibly talented editor offered a new column from the past for use by the past masters to convey knowledge and wisdom. Not sure why I get to be the first one but am happy to oblige.

The new officers are doing a great job and with that said we all need to offer our support to help make them successful. We will be having degree work upcoming and now would be a great opportunity for the past masters and other members to brush up on our work.

As one of the newest past masters I must say I am proud of joining such a special group of men that have served this lodge. The overwhelming support over the last two years warms my heart every time I think about it. One of the goals I have for this year is to help the master and officers with scheduling events and working on a lot of the little stuff that makes them a success.

Remember you'll always see a smiling face at the door!!!!

W.B James C Norton Jr.

I am excited about this year. We will have many Masonic history and education based meetings that I hope you will find entertaining and enlightening.

I look forward to seeing you in Lodge.

Fraternally,

Shane Day

Worshipful Master. 2006

If you have anything informative or fun you wish to share with your Brothers please email it to the Editor, JR Henning at JRLOWFON@YAHOO.COM or mail it to the Secretary's address in the Trestleboard letter head.

A BLUE LODGE PUZZLE

Can you find the 15 names in this puzzle?

All pertain to the first three degrees of Freemasonry. They may be found in many positions—horizontal, vertical and diagonal. A number are spelled backwards.

Here are some clues: There are two Hiram's and a St. John. The GATU is mentioned three times and there are three prominent craftsmen. Others include a very wise man; a leader of his people; a prophet; a judge of Israel; a man with a ladder and a Greek mathematician.

THE MODEL MASON

By Bro. ROB. MORRIS

There's a fine old Mason in the land, he's
genial, wise and true,

His list of brothers comprehends, dear
brothers, me and you;

So warm his heart the snow blast fails to chill
his generous blood,

And his hand is like a giant's when
outstretched to man or GOD;

Reproach nor blame, nor any shame, has
checked his course or dimmed his fame

All honor to his name!

This fine old Mason is but one of a large
family:

In every lodge you'll find his kin, you'll find
them two or three;

You'll know them when you see them, for they
have their father's face,

A generous knack of speaking truth and doing
good always;

Reproach nor blame, nor any shame, has
checked their course or dimmed their fame -

Freemason is their name!

Ah, many an orphan smiles upon the kindred
as they pass;

And many a widow's prayers confess the
sympathizing grace;

The FATHER of this Brotherhood himself is
joyed to see

Their works -they're numbered all in Heaven,
those deeds of charity!

Reproach nor blame, nor any shame, there
check their course or dim their fame -

All honor to their name!

Could it be! Is it really 2006?

Out with the old but still young and fun
Worshipful Master, WB Jimmy Norton and
in with the new, young and promises to be
fun Worshipful Master, WB Shane Day. If
you missed the annual installation of
officers you missed a good time and great
portents for the year to come. WM Shane's
father, WB William Day and the Grand
Master of California, MWB Fred Sorsabal,
came to attend the installation, of course
that brought our Grand Master, MWB Al
Jorgenson and Deputy Grand Master, RWB
Chuck McQuery to the installation. I
believe there is a photo of MWB Fred
standing in the East with a bloody lip
stating he thinks that RWB Chuck tripped
him. He was just joshing but a marked man
he was, and carried it with all the grace any
could ask from a brother Mason. There were
moments of glee and moments of respect
but really a fun night and illustrative of
your Lodge at work and at play. Watch your
Trestleboard for fun events and ways you
can enjoy your Lodge.

Join your Brothers in Lodge on the 2nd or 4th
Thursday of each month. Watch for degree
work and help out. Plan to attend Grand
Lodge in June when we will be installing a
frequent visitor and member of our district,
District 2 – "Second to None", RWB Chuck
McQuery, as our new Grand Master of
Washington.

Act and stand as a Mason in all your
interactions with mankind, remembering
both your Masonic heritage and that your
actions will form that heritage for all
Masons to come.
