Word From The East

Brothers, WE NEED YOU!

Your officers for 2011 have really worked hard to put on a program that will both interest and educate you as a Mason. It is really a shame that more of you are not joining us for the program and just good fellowship. We also need your participation in our rituals, events and other work. As the weather improves we will be completing the exterior painting we started last year and need your help for this. We are also planning interior upgrades for the Fall.

My BRING A MASON TO LODGE program has not worked well so far, so we are switching back to our Masonic Birthday program and the monthly Birthday recipients is included in this TRESTLEBOARD.

Remember that in June there is no First Stated Meeting in the month because of the Grand Lodge Communication from Thursday, June 9th until Saturday, June 11th.

The originally planned Cook-off scheduled for June 18th will not take place but we have other events in June. For an evening of fun and fellowship, plan to attend the POKER NIGHT on June 24th.

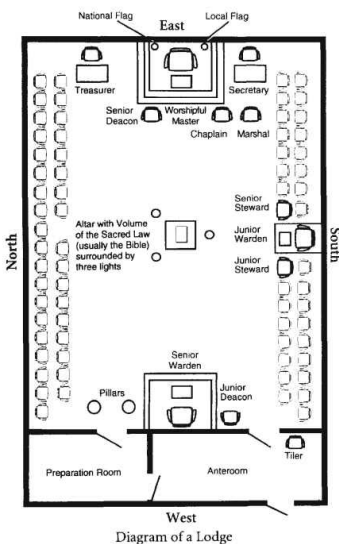

As stated in my May message we will be marching in the Edmonds July 4th Parade. My plans have changed and I will be participating. Brothers Bryan Reagan and Les Schwartz will be coordinating our participation in the event. In addition to marching in the parade we will have a hot dog and hamburger stand at the Lodge for parade goers. If you can and want to help with the cooking and sales please contact Les. Please give them your support and participate if you can.

WE have only one more stated meeting before we go dark. It is likely that we will have Fellowship and Master Masons degrees during the Dark period. If so your attendance would be appreciated as it means so much to new Masons to see a good crowd in the Lodge.

Do not forget the Masonic Picnic at the Nile on July 16th at 2pm. We will be there and it would be great to see you there too.

Finally, the Lodge is accepting donations to replace the funds we provided to the Center Board for Building expenses.

Thomas Lamb, WM

Lodge Room Set Up

Word from the West

Brethren;

Your elected and appointed line officers have been working with our long-range planning and past masters in a number of regards. Independently, and as a group, we have gathered input about goals, desires, and wishes. Through this information we have worked to facilitate short-term change where possible.

For example, the Lodge has been recently recognized for the fact that we held a step-up night at the end of the first quarter this year. We will hold a second step-up in June! As many of you know, this typically does not happen until Dec!

The long-range committee has collected data regarding the goals and values of lodge members. We, however, would appreciate more feedback before we finalize our three year lodge plan this summer. So far we have identified elements for changes and development such as learning, fraternity, and leadership. We will create a comprehensive plan this summer. Before we do, I would appreciate any information each of you wishes to provide for these efforts.

Here are some questions. Please email any responses to paulrand@seattleresearchpartners.com

- 1) What interests you most about Masonry?
- 2) What are the three top qualities our lodge should demonstrate (floor work, degree work, fraternity, quality meals, etc.)
- 3) How would you like to be involved over the next several years?

Please send me responses ASAP as we would very much value this additional information especially from those who are actively involved in other concordant bodies or are not able to meet with us one-on-one.

Join us on the THIRD THUR in June at 7pm for a degree. This will also be a step-up night and an over-view of the general long-range plans for the lodge. As I stated, there are a number of brethren cooperatively working to plan events, activities, and lodge learning programs that will start next year and run several years into the future. This has been developed from extensive discussions and research into what our members' desires. It would be great to see you that night while we paint a vision for the future of Edmonds Lodge.

I look forward to seeing you at our meeting in June or reading your emails.

Regards

Paul Rand, MBA, PhC

Senior Warden, Edmonds #165

Other Lodges / organization Meetings

2nd - 7pm Analia Chapter OES	14th - 6pm Bethel #5	23rd - 7pm Edmonds #165
